Conflict Minerals Compliance Certificate

Level Developments Ltd is committed to providing our customers with the highest quality products and services. This includes holding ourselves and our suppliers accountable to a higher ethical standard and ensuring that all business is conducted fairly and honestly.

.

To comply with the OECD due diligence guidance, the United-States Dodd-Frank Wall Street Reform and the Consumer Protection Act, we certify that the product referenced below does not use any of the following minerals that are sourced from "The conflict region":

Tantalum (from Columbite-tantalite)
Tin (from Cassiterite)
Tungsten (from Wolframite)
Gold
(or derivatives of these minerals)

This includes having our suppliers provide written evidence documenting where necessary that raw materials used to produce the above minerals, used to manufacture components and products supplied to Level Developments Ltd, originate from outside the "Conflict Region" or if they originate from within the "Conflict Region", that the mines or smelters be certified as "conflict free" by an independent third party. The aim is to ensure that only "conflict free" materials and components are used in products that we procure.

Part Number : USB-UART-ISM-2M

Description : ISM PC interface cable, USB to UART, FFC 6x1, 2m
